Chairman's Statement

2006 was another successful year for Ontario Place.

The Chinese Lantern Festival, staged at Ontario Place for the first time, was enormously popular attracting more than 200,000 visitors while registering guest satisfaction levels of over 96%. This contributed to drive Ontario Place attendance 9.6% higher than 2005. The Festival was well aligned with the Ontario Tourism Strategy regarding sustainable festivals and supported the Ontario Place Future Framework by bringing a "vibrant mix of new life and activity" to the site. The Lantern Festival exceeded financial performance targets and demonstrated that Ontario Place can create sustainable programming that has strong relevance to our stakeholders. The success of this event suggests that it has the potential to be an annual event and a strong attraction for both local residents and tourists.

The key strategy that was developed for 2006:

1. Develop and execute a festival model that enables Ontario Place to continue to grow attendance, generate a profit and contribute to the Ontario Place mandate to promote cultural and heritage activities.

This strategy proved to be successful with the creation of the Chinese Lantern Festival. The festival brought to Ontario Place beauty, culture, education and a large audience.

2006 saw three projects completed. The west entrance was given a facelift and reconfigured to operate more efficiently, this included removing the old admission booths and creating a streamlined faster admissions process. The second project completed was the addition of a projection system for Cinesphere. Now Ontario Place can use the theatre for corporate events, increasing opportunities for revenue and better utilization of the waterfronts premier Imax theatre. The third project was a retrofit of the motion simulator attraction. The new FX Adventure ride takes guests through our planet from the point of view of the creatures that live here, including a frog, dolphin, leopard, an owl and a bear.

On behalf of my colleagues on the Board of Directors, I would like to express our thanks to the employees of Ontario Place for their hard work in 2006 and to our business partners and guests for their on-going support. I am pleased to submit for review the Ontario Place annual report for the year ending December 31, 2006.

David Crombie, P.C., O.C.
Chairman, Ontario Place Corporation Board of Directors

2006 Goals and Objectives

Ontario Place achieved a number of its key objectives for 2006. These included:

1. Successfully execute Chinese Lantern Festival and develop recommendation for future festivals at Ontario Place.

- The Chinese Lantern Festival proved to be very successful with an overall guest satisfaction level of 96%. Actual attendance exceeded our original estimates by 60%.

2. Execute capital projects within approved budget and complete motion simulator refurbishment by April 30 and POD HVAC project by June 30.

- The motion simulator was completed and ready for opening day 2006. The POD HVAC was also completed on time. This project, along with replacing the single pane windows in PODs 1 & 2 has resulted in a 67% reduction in total electricity consumption and a 62% reduction in CO² emissions.

One of Ontario Place's key 2006 objectives were not met:

1) Maintain overall guest satisfaction rating of 92% and improve on 2005 ratings in key areas of the park such as cleanliness, admission process, food and beverage and corporate groups.

- Overall guest satisfaction slipped from 89% in 2005 to 82% in 2006.

Visitor Perception

In order to maintain consistently high levels of visitor satisfaction, Ontario Place makes extensive use of surveys and other feedback mechanisms to monitor guest perceptions. The results are used to adjust current park operations and are considered in the annual planning of programs and services that best enable Ontario Place to meet the expectations of our guests.

In 2002 Ontario Place joined with six other major Greater Toronto Area (GTA) attractions in a collaborative guest satisfaction survey. This survey was repeated in 2006. On-site interviews at Ontario Place were conducted over two periods: wave #1 - June 22-26, 2006, and wave #2 – August 10-13, 2006. In addition, Ontario Place conducted in-house exit surveys daily, from May 6, 2006 to October 1, 2006.

Results for Ontario Place indicate a generally positive visitor response to the quality and range of the park's features and services:

- The duration of the average visit to Ontario Place increased 30 minutes to 4.6 hours, the highest of all Group of 7 Attractions.*
- 45% (up from 42%) of guests were 18 years of age or younger.*
- The average household income of the Ontario Place guest in 2006 was \$85,200 down from \$91,820 in 2005*
- 60% (up from 56% in 2005) of Ontario Place visitors reside within the GTA and suburbs the highest of all Group of 7 Attractions; 87% of visitors (the same in 2005) reside in Ontario; 3% (the same in 2005) reside in the rest of Canada while 5% (the same in 2005) reside in the U.S.* 5% also state coming from an other country.
- Ontario Place is a family destination, the average group size being 3.4 (from 3.8 in 2005).*
- 75% (up from 60% in 2005) of Ontario Place guests are repeat visitors*
- 78% (down from 84% in 2005) of Ontario Place guests rated the Play All Summer pass 'value for money**
- 85% (down from 89% in 2005) of guests would recommend Ontario Place**

Auditor's Report

To Ontario Place Corporation
and to the Minister of Tourism

I have audited the balance sheet of Ontario Place Corporation as at December 31, 2006 and the statements of operation changes in equity and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at December 31, 2006, and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Ontario Place Corporation

Notes to Financial Statements

December 31, 2006

1. Nature of Operations

Ontario Place Corporation, (the "Corporation" or "Ontario Place") a provincial Crown agency, operates a park built on a 96-acre site extending through three islands created using landfill along the Toronto waterfront. The park includes a wide variety of programs, attractions and facilities which capture the spirit of Ontario by featuring distinctive and quality attractions for all ages. The site is intended to provide visitors with an appreciation of the Province's resources and accomplishments.

The fees charged for admission and the various attractions within the park are subject to approval by the Province of Ontario (the "Province"). The Province also provides grants to partially cover the costs of activities, programs and rejuvenation of the park.

In addition to the various attractions and activities operated directly by Ontario Place, the Corporation entered into a number of licence, ground lease and special event agreements with various private-sector companies for the 2006 season.

As an Ontario Crown agency, the Corporation is exempted from federal and provincial income taxes.

2. Significant Accounting Policies

(a) BASIS OF ACCOUNTING

The financial statements are the representations of management prepared in accordance with Canadian generally accepted accounting principles.

(B) INVENTORY

Supplies inventory is valued at cost.

(C) CAPITAL ASSETS

Capital assets are recorded at cost less accumulated amortization. Amortization is calculated using the straight-line method over the estimated useful lives of the assets as indicated below:

Buildings	25 years
Attractions	10 years
Equipment, fixtures	10 years
Computer equipment	4 years

(D) USE OF ESTIMATES

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires that management make estimates and assumptions that affect the reported amount of assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenditures for the period. Actual amounts could differ from these estimates.

Ontario Place Corporation

Notes to Financial Statements

December 31, 2006

2. Significant Accounting Policies (Continued)

(E) FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amount of cash, accounts receivable, accounts payable and accrued liabilities and due to the Province of Ontario approximates fair value due to the short-term nature of these items.

(F) CREDIT RISK

Ontario Place is exposed to credit risk by its customers. As a result, it determines on a continual basis, the probable credit losses and sets up a provision for losses based on the estimated realizable value.

3. Capital Assets

Capital assets consists of the following:

	2006 (\$ 000)			2005 (\$ 000)
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
Land, waterlots	101,660	—	101,660	101,660
Buildings	8,029	3,245	4,784	4,901
Attractions	8,963	3,776	5,187	5,176
Equipment, fixtures	3,972	2,608	1,364	1,566
Computer equipment	143	78	65	75
	122,767	9,707	113,060	113,378

4. Deferred Capital Contributions

Deferred capital contributions represent the amount of restricted grants received for the purchase of depreciable capital assets. Purchased assets have been capitalized and the corresponding grant has been deferred together with unspent capital grants and will be amortized into income on the same basis that the assets are amortized. The changes in the deferred capital contributions balance are as follows:

	2006 (\$ 000)	2005 (\$ 000)
Balance, beginning of year	14,803	13,504
Amount amortized to revenue	(1,335)	(1,276)
Capital grants received	1,809	2,575
Balance, end of year	15,277	14,803

Ontario Place Corporation

Notes to Financial Statements

December 31, 2006

5. Invested in Capital Assets

The invested in capital asset balance represents the net amount of the Corporation's investment in capital assets less the deferred capital contribution balance at year end.

6. Employee Benefits

(A) PENSION BENEFITS

The Corporation provides pension benefits for all its permanent employees (and to non-permanent employees who elect to participate) through the Public Service Pension Fund (PSPF) and the Ontario Public Service Employees' Union Pension Fund (OPSEU Pension Fund) which are both multiemployer plans established by the Province of Ontario. These plans are accounted for as defined contributions plans as the Corporation is not provided with sufficient information to apply defined benefit accounting to these pension plans. Accordingly, the Corporation's share of the required contribution to the PSPF and OPSEU pension funds for the year was \$230,749 (2005 – \$201,636) and is included in employee benefits in the Schedule of Administrative and Operating Expenses.

(B) NON-PENSION BENEFITS

The cost of unused vacation and earned legislated severance entitlements are accrued for in the financial statements. The cost of other post-employment non-pension employee benefits are paid by the Ministry of Government Services and are not included in the statement of operations.

7. Contingent Liability for Property Taxes

The Corporation believed, and had received a legal opinion in 1997 stating that it has no legal obligation to pay grants in lieu of property taxes relating to Ontario Place. As a result, in fiscal 1996/97, the Board of Directors of the Corporation passed a resolution declaring that, commencing with the 1996 taxation year, the Corporation will not make any payment or record any charges for property taxes or grants in lieu of property taxes with respect to those portions of Ontario Place property not occupied by tenants. The Corporation advised the then Ministry of Economic Development, Trade and Tourism, and the Ministry of Municipal Affairs and Housing of the Board's decision.

7. Contingent Liability for Property Taxes (Continued)

Pertinent information with respect to property taxes recorded for the last six years is as follows:

Year	Property Tax Billed to Concessionaires	Corporation's Recognized Property Tax Liability for Premises Occupied by Concessionaires	Total Accrued Liability	Received from Concessionaires
2001	385,398	-	385,398	365,629
2002	288,943	-	288,943	258,483
2003	327,955	331,000	658,955	274,464
2004	300,482	483,000	783,482	275,501
2005	274,835	469,896	744,731	274,835
2006	287,203	402,586	689,789	287,203
Total	1,864,816	1,686,482	3,551,298*	1,736,115**

* the amount of \$3,551,298 is included in the Corporation's year end balance for accounts payable and accrued liabilities.

** the amount of \$1,736,115 is included in the Corporation's year end cash balance and in effect is being held in trust for the City of Toronto.

The Corporation did not receive a property tax bill from the City of Toronto in 2001 and 2002. In 2001, payments to the City for property tax on land occupied by tenants were returned by the City with the explanation that Ontario Place was exempt from property tax. In November 2006, the Corporation received revised property tax bills totalling as follows:

- \$3,551,298 for the years from 2001 to 2006 for the taxable portion of property occupied by concessionaires.
- \$9,415,623 for the years from 2001 to 2006 for taxes for property occupied by the Corporation.

The amounts billed are in dispute with the City of Toronto and are not reflected in the Corporation's financial statements. It is the position of the Corporation that it will pay to the City of Toronto the amounts it has already accrued but is not liable for any excess amounts. Consequently, the City assessed \$9,415,623 more than the Corporation recognized as a liability.

The Corporation has appealed the tax assessments to the Assessment Review Board and has written to the Minister of Tourism asking for assistance in seeking relief from the tax assessments. If it is determined that the Corporation must pay the excess amounts to the City, the Corporation will seek an additional grant from the Province to cover this payment as it has no ability to fund this amount from existing operations.

Ontario Place Corporation
Notes to Financial Statements
December 31, 2006

December 31, 2006**8. Subsequent Event**

On August 22, 2007, Ontario Place received \$9.4 million from the Province of Ontario to pay the property tax assessed by the City of Toronto for property occupied by the Corporation. Subsequently, on August 23, 2007, Ontario Place paid the City of Toronto property tax totalling \$11,265,374. This amount consisted of the \$9.4 million received from the Province of Ontario as well as \$1,865,374 in property taxes billed by Ontario Place to, and received from, its concessionaires. This payment was made without prejudice to Ontario Place's ongoing appeal of its property tax assessment and should the Assessment Review Board make a determination that would reduce the amount otherwise payable, it is expected that the City of Toronto will refund any overpayment.

9. Comparative Figures

Prior year's figures have been reclassified where necessary to conform to the current year's presentation.
