

Subject: Toronto's backyard cottage – Canada Day at Ontario Place will feature musical performances, Segway tours and boat rentals

As Canada Day approaches, I wanted to let you know that Ontario Place will have programming all weekend long. For city-dwellers looking to disconnect and experience a cottage-like atmosphere, the waterfront at Ontario Place offers a balance of tranquility, city views and things to do.

For the first time this summer, guests will be able to tour Ontario Place on Segways and glide across the shimmering waters with new boat rentals – both will be staples of summer at Ontario Place for the rest of the season.

On Canada's 151st birthday, award-winning children's performer Chris McKhool and folk singer Jeremy Fisher Junior will get kids singing and dancing throughout the afternoon. At dusk, country music star Nino Brown and First Nations DJ Fawn Big Canoe will fill Trillium Park with beautiful sounds into the evening. Here you can find a full list of activities at Ontario Place: <http://ontarioplace.com/en/whatson/>.

If you are interested in speaking with an Ontario Place spokesperson, stopping by to cover the Canada Day festivities on-site, or require additional information, please let me know.

I have included other weekend activities below.

Best,
Dana
