

# We're working hard to keep you safe!

## Our Extensive Health & Safety Measures

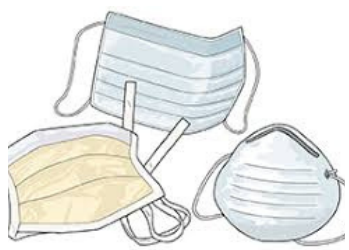

**NO hand shakes and opt to use non-contact greeting methods**

**All staff members must adhere to strict and frequent handwashing protocols.**

**We are meticulously disinfecting ALL surfaces like doorknobs, counters and food preparation areas regularly.**

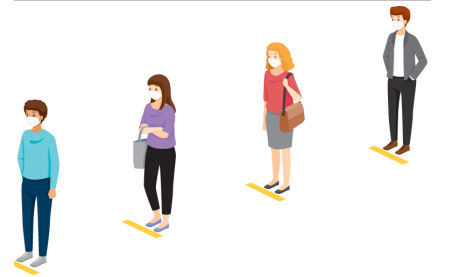

**PPE's such as masks, face shields & gloves must be worn by staff at ALL times.**

**Safety barriers have been built for the protection of staff and customers**

**Guidelines and floor markings must be followed at all windows. A safe distance of 6 feet (2 meters) MUST be observed**

**All food orders including all condiments will be wrapped or pre packaged to ensure safety and limit food handling.**

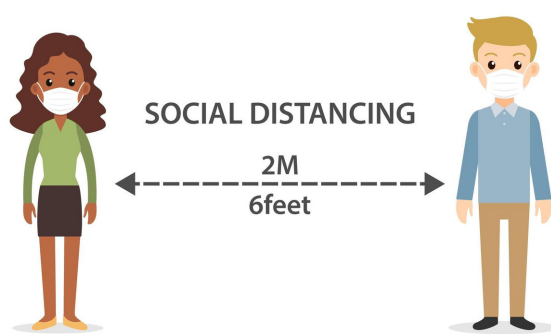

**Hand sanitizers will be readily available for all staff members and customers at all of our service windows.**

**CANATRACE™**
